VIDEO EDITOR/WEB SPECIALIST

DATE: October 5

Nerland Agency is seeking an experienced Video Editor/Web Specialist who can edit television, video and radio advertising productions. The ideal candidate is a hybrid who also can also program for the web and other digital media.

LOCATION

Anchorage, AK, recently named by Businessweek as the #1 place to start over/start a career. You'll need to move to Anchorage and be prepared to fall in love with the laid back, self reliant, outdoor lifestyle that is central to Alaska's high quality of life.

POSITION REQUIREMENTS

Plan, organize, execute and edit video projects from scripts and/or creative treatments under the direction of a creative director. Content will vary, reflecting a wide client base. Attend video/advertising shoots as necessary, working with set-up, shoot organization and tear-down as part of our in-house team.

EDITING

Operate and creatively use in-house editing systems. Possess both technical and artistic expertise and offer related technical support, including making dubs and producing rough cuts and final material in various formats based on client and vendor needs. Final-Cut and AfterEffects experience ideal.

SCHEDULE

Be flexible with some travel and weekends (video shoots).

EDUCATION/EXPERIENCE

4-year college degree, preferred. 1-4 years' experience editing for advertising/video productions and programming for Web sites and digital advertising.

Please send submit your resume, cover letter and salary requirements electronically to Susanne Izzo at Susanne.izzo@nerland.com.

Include a 3-4 minute demo reel of relevant work on DVD.
